01 · ABOUT US

Textile sourcing from Pakistan, made simple

ARMS Textile is a B2B textile sourcing company based in Karachi, Pakistan. Since 2010 we have helped importers, wholesalers, retailers, private label brands, and hospitality and healthcare buyers source quality home textiles from Pakistan.

Every order is made by our affiliated, certified manufacturing partner. We manage product development, sampling, quality checks during production and before shipment, and export coordination, with one point of contact from inquiry to delivery.

02 · MISSION AND VISION

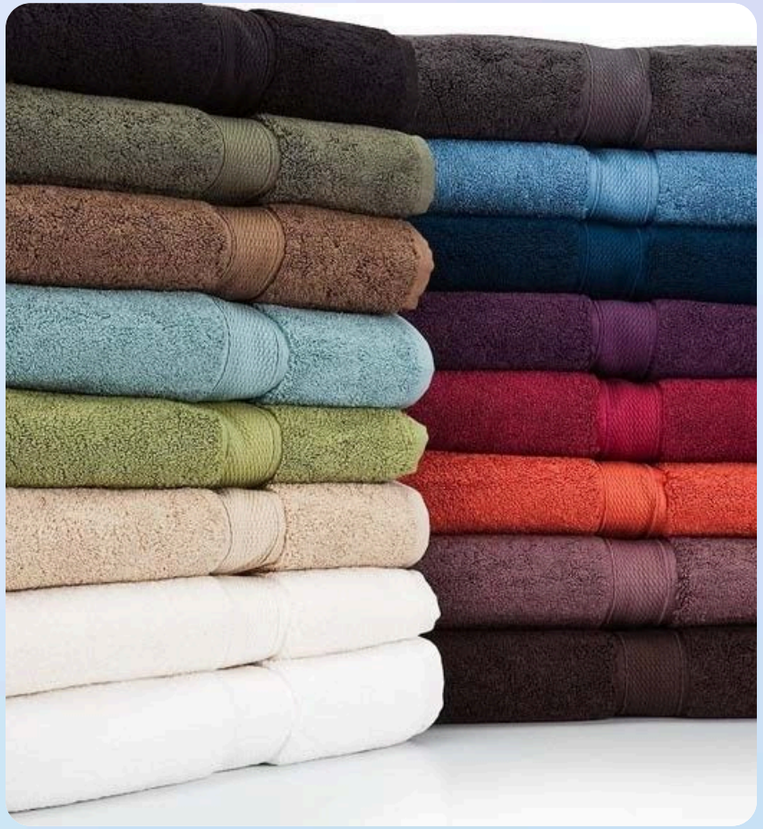

What drives us

Our mission

To make textile sourcing from Pakistan simple and dependable for B2B buyers: products made to your specification, fair and competitive pricing, and one point of contact from inquiry to delivery.

Our vision

To be the long-term sourcing partner that hotels, retailers and brands worldwide rely on for consistent quality, honest communication and coordinated bath, bed and kitchen ranges that are right the first time.

"What you approve is what you receive."

Our promise on every order, from first sample to final shipment.

03 · HOW WE WORK

One contact, from inquiry to delivery

1

Inquiry

You share product, size, weight, colour and quantity. We confirm price, MOQ and lead time.

2

Samples

Pre-production samples and shade approval by you before bulk production starts.

3

Production

Checks during weaving, dyeing, embroidery and stitching. Absorbency, colourfastness and shrinkage testing, with reports on request.

4

Inspection

Final inspection and packing check before dispatch. Third-party inspection welcome.

5

Shipment

Export coordination from Karachi. EXW and FOB as standard, CIF on request.

Private label | Samples before bulk | Trial orders from one 20ft container | 45–60 days after sample approval
