SPRINGFIELD, ILLINOIS · KARACHI, PAKISTAN

WWW.RAYMAIR.COM

OUR MARK

Interwoven trust
IN EVERY THREAD

Raymair takes its name from its two founders, and its mark from the way we work: one lasting partnership, three teams working as one, and textile craft at the heart of every order.

Infinity
A lasting partnership between buyer and supplier.

Three strands
Our US team, our sourcing office and the factory, working as one.

Weave pattern
The textile craft at the heart of every order.

Navy and gold
A strong foundation, premium standards and trust.

01

ABOUT RAYMAIR

Interwoven trust, built since 2010

Raymair is the US company of ARMS Textile. It brings more than fifteen years of textile sourcing experience from Pakistan directly to American businesses.

You work with a contact here in the United States. Our office in Karachi handles pricing, sampling, quality checks and container loading. One team stays with your order from first inquiry to delivery at your port or warehouse.

15+
YEARS OF TEXTILE SOURCING

37
COUNTRIES SERVED BY ARMS TEXTILE

2
OFFICES: ILLINOIS AND KARACHI

Our mission

To make textile sourcing simple and dependable for American buyers: products made to your specification, fair pricing and one point of contact.

Our vision

To be the long-term partner US retailers, hotels, healthcare suppliers and salons rely on for consistent quality and honest communication.

Who we serve

Retail and private label · hotels and resorts · hospitals and care homes · restaurants · salons and spas

Our promise

What you approve is what you receive, from the first sample to the final shipment.

01 Weaving

02 Dyeing

03 Embroidery

04 Stitching

05 Warehousing

02

OUR PAKISTAN OFFICE

ARMS Textile, Karachi

Our office in Pakistan is your team on the ground, with eyes and hands at every stage of production.

Pricing and sampling

Costing, lab dips, strike-offs and pre-production samples.

Quality control

Shade matching, absorbency, colourfastness and shrinkage checks; reports on request.

Final audit

Pre-shipment inspection; third-party inspection welcome.

Loading and export

Container loading and export documents handled.

HOW AN ORDER WORKS

01
Inquiry
Share product, specs, quantity and target price.

02
Quotation
Specs confirmed and pricing quoted.

03
Samples
Pre-production samples approved before bulk.

04
Confirmation
Order confirmed in writing.

05
Production and QC
Inline checks on weaving, dyeing and stitching.

06
Inspection and shipment
Final audit, container loading, export documents.

Production is carried out by our affiliated, certified manufacturing partner, in manufacturing units approved to your requirements.
